

**Bind Your Quilt
Saturday Special
March 11, 2023, 9:00am – 3:00**

This class covers adding binding to quilts with different angles and curves. It is an opportunity to complete some of your projects. Bring your quilts, come and have fun.

We will be making a traditional binding for quilt with 90 degree angle, a quilt with narrow and wide angle borders, and binding a quilt with curved edges or rounded corners. I include hand finishing and machine binding by machine

Supply List

Sewing Machine, Scissors, Rotary Cutter and Cutting Mat, Ruler, Pins / Clips, Hand needles

I have circle cutting templates for use for round corners.

4 Projects ready for binding – table runner or potholder size works

Or samples for practice

Thread to match projects

2-1/4” strips for french fold binding for square / rectangle quilt

fabric to make bias binding for use on rounded edges

Set-up at 8:30 am. Bring your lunch.
